It is neither a negotiable instrument or a security. You can transfer or sell your book-based DRS holdings represented by this advice by presenting this advice to your broker along with written instructions/stock power. Upon request, the issuer will furnish to any security holder, without charge, a full statement of the designations, rights (including rights under an issuer Rights Agreement, if any), preferences and limitations of the securities of each class and series authorized to be issued and the authority of the Board of Directors to divide the securities into series and to determine and change rights, preferences and limitations of any class or series. The assets in your account on the books of the issuer are part of the Direct Registration System. Such assets are not deposits of Integral Transfer Agency and are not insured by the Canada Deposit Insurance Corporation or any other government agency.
