Hello Jeremi,

Further to you confirming the conversion from DRS to physical share certificate, please note that in order to close the private placement financing without further delay yesterday, July 7, 2025, the broker for our investor Jim Watt agreed to accept a DRS Advice, instead of a physical share certificate.

Since we were able to close the financing, we want to request a conversion of the attached DRS for Leede Financial Inc., 400-1075 W. Georgia St. Vancouver, BC V6E 3C9, and courier the share certificate to the Toronto office of Leede Financial shown below. Please also send me a copy for our records.

Toronto cage address is 1000-110 Yonge St. Toronto, ON M5C 1T4
Contact: Michelle Scott 416 365-8007

I will advise Danny Harada that the physical share certificate will be delivered next week. You will be copied on the message.

Best regards,
Helga

Hi Jeremy,

It's ok. I'll handle the conversion for Leede, and yes, please charge the fee to 55 North.

Thanks again for your help.

Best regards,

Helga

Hi Helga,

The issuance has now been completed and sent.

As for the conversion, that will just require the shareholder to send us an email with the email on file requesting that his shares be converted to a physical certificate.

Can you confirm the conversion will be charged to 55 North?

Sincerely,

Jeremi Gallant

Hi Jeremy,

We finally received the last subscription agreement for Jim Watt. However, Leede requires a physical share certificate, and we can't complete this today. I recommended issuing a DRS on a pro forma basis for the closing and providing the physical certificate later this week, and they agreed to this.

Please issue one DRS for the last subscriber in the treasury direction and send it directly to Leede Financial at nonbrokered@leede.ca and cc me.

Let me know what I need to provide to replace the DRS with a physical certificate this week.

Please confirm receipt. **I will be unavailable until 4:30 pm this afternoon.**

Hi Helga,

You're welcome!

Please find attached DRS's for this issuance.

If the one subscriber needs to be added afterwards, just send me the updated TR and I will create another DRS for that issuance.

Have a great weekend!

Good afternoon,

I've attached a Treasury Direction for 55 North in both Word and PDF formats. I may have one more subscriber joining, which will be confirmed along with the complete registration details for the BMO account holder, both of which are highlighted in yellow.

Apart from that, there shouldn't be any further changes to the TD. Please send the DRSs, dated July 4, 2025, on Monday morning at 8:00 a.m.

Please confirm receipt of this message.

Hi Jim and team,

It has been confirmed that we will not receive the wire from the UK today, Friday. Therefore, we will need to close on Monday morning.

The treasury direction will be available shortly. For your information, only DRS statements will be required.
