RE: Treasury Request

You are hereby authorized and directed to issue fully paid **COMMON** ☒ or **PREFERRED** ☐ Class “ ”
Shares of the capital stock of: carbon-connect AG
to the following person(s) for the number of shares set out.

We certify that these shares have been allotted to the persons named, that the Company has received the full consideration therefore, and that they are therefore fully paid and non-assessable. The issuance [assignment] of these shares complies with all applicable securities laws and regulations.

We also certify that the said allotment is not made consequent upon a direction given by an optionee or other party primarily entitled to ownership in said shares, but it constitutes the first transaction having the effect of creating ownership, control, or the right to receive such shares.
