Shareholders of the Company do not need to take any action with respect to the Forward Split. The Forward Split will not affect the percentage ownership in the Company of shareholders even though such ownership will be represented by a larger number of Common Shares.

The Company currently has 9,748,000 Common Shares issued and outstanding. Upon completion of the Forward Split, the Company will have 38,992,000 Common Shares outstanding. The Forward Split remains subject to the approval of the CSE.

Outstanding stock options and share purchase warrants will also be adjusted by the Forward Split ratio and the respective exercise prices of outstanding stock options and share purchase warrants will be adjusted accordingly.
